

Add a Signature to Your iPad Email Account

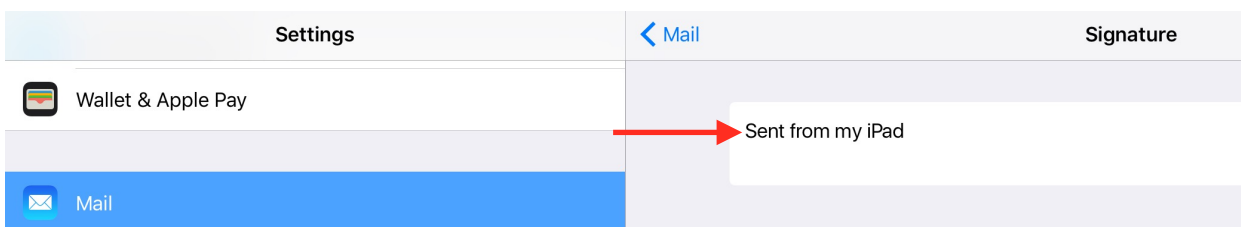

1. Touch the **Settings** app.

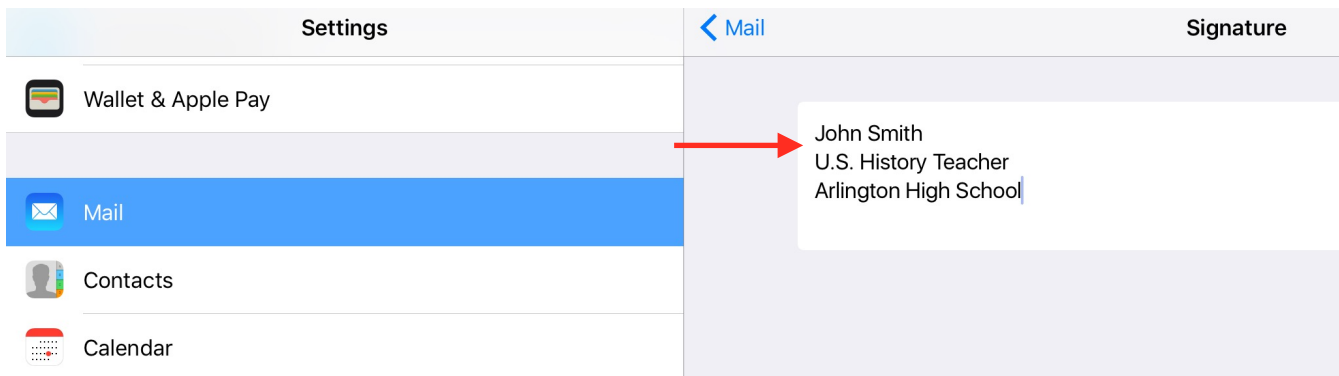

2. In the left column, find and touch on **Mail**. Then, choose **Signature** on the bottom right.

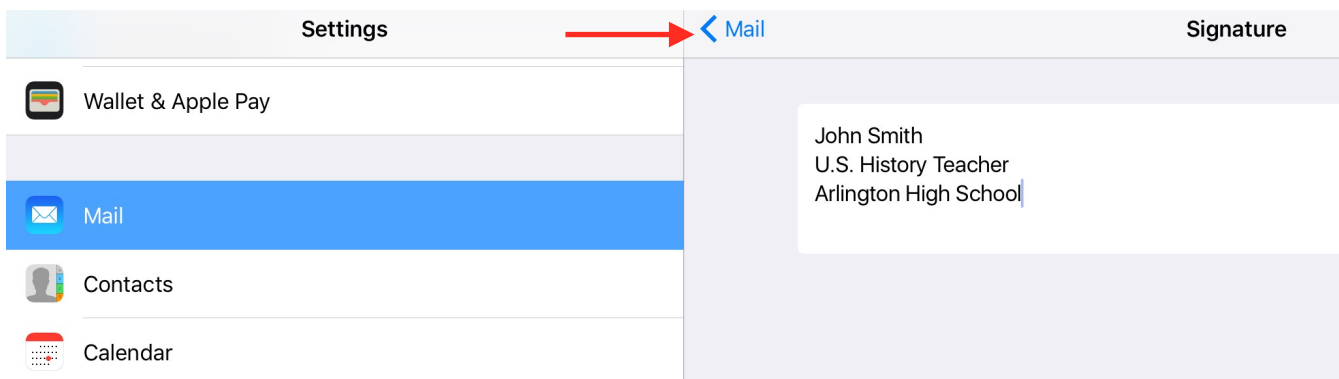

3. Touch inside the box to get your cursor and delete the **“Sent from my iPad”** text.

4. Type a **signature** that you would like included at the end of each email you send.

5. Touch **Mail** to go back.

6. Close the **Settings** app.
